Celeste -

Thank you so very much for everything
you have done on this trip to make
it special, enjoyable and very easy for all
of us. You have a beautiful spirit that
that makes all things easy and simple,
and uncomplicated. Thank you for your kindness
(and putting up with the mess of my children) →

and especially for your limoncello spritz's.

All of them will now be measured by

Celeste's aperitivos!

With gratitude -
